Placement Testing Dates (K-9th grades): M 12/7, M 1/25, T 2/16, M 3/1, M 4/12, M 5/10, T 6/8, T 7/13, T 8/3

*Sign-up for placement testing after December 1, 2020 via your student portal account. Testing times: December thru May is 3:30pm. Testing June-August is 9am. \$30 online testing fee per student required. Testing between September and November is handled on an individual basis, as space permits.

*NCS has more qualified applicants each year than openings in most grades and cannot guarantee enrollment or wait list position strictly by date of application. NCS considers many factors when accepting new students including: church/community involvement, written parent testimony, doctrinal/parent agreement, academic records, prior teacher and NCS faculty recommendations, family size, alumni status, sibling enrollment status, NCS employee status, application completeness, family interview, placement testing, classroom space, student conduct and attendance records. Qualified students that remain on the wait list in August may have an opportunity to enroll during the school year should an opening occur. Wait listed applications are not automatically carried over into the following school year and must be renewed in January by sending a written request to: Michelle Reddy, Director of Admissions, mreddy@ncsaz.org. A prior year wait list status does not guarantee enrollment the following year.

TO REQUEST INFORMATION, SCHEDULE A CAMPUS TOUR OR TO SUBMIT A NEW STUDENT APPLICATION: Go to www.ncsaz.org, select “Admissions” and then either “Apply Now” or “Get Info./Inquire Now”. A detailed information packet or a “next step” email will be sent within two business days outlining additional documents needed (varies by grade) and testing and interview procedures, if applicable.
