
Dear NCS Families,

HELLO and WELCOME BACK!!! I hope that you all had a relaxing and enjoyable summer vacation! My name is Christy Wells, and I am so excited to be joining the NCS family as your new Guidance Counselor. It is going to be a really great year and I look forward to getting to know each of you, your family, and most importantly your NCS students!

First, I would like to take a moment and share with you a few things about me. I grew up here in the Valley of the Sun and I am a NCS graduate myself (Class of 2002)! After NCS, I attended Evangel University in Springfield, MO where I earned a Bachelor Degree in Elementary and Special Education. I spent a few years teaching in the Washington Elementary School District until, we started our family in Spring of 2010. In 2011, I graduated from Ottawa University with a Masters in School Counseling. My wonderful husband, Nathan and I have been married for 9 amazing years and have three beautiful children (Ava Mae-6, Emmy-4, & Austin-18months). I've had the privilege to be at home with my kiddos for the last several years. God has blessed us beyond imagination.

In this new role as the NCS Guidance Counselor, my primary focus and goal is to provide our students with the academic, college/career, social and emotional support they will need to develop into incredible individuals. I look forward to collaborating with the NCS staff, families and community to ensure our students needs and aspirations can be met.

I am here to help in whatever way I can to make sure our students reach their goals and dreams. My door is open and I would love to meet you! If you have questions or need anything you can reach me at cwells@ncsaz.org or 602-978-5134.

Warm Regards,
Christy Wells
