

National Junior Honor Society 2018-19

National Junior Honor Society (NJHS) is more than just an honor roll. Each Honor Society chapter establishes rules for membership that are based upon a student's outstanding performance in the areas of: [Scholarship](#), [Service](#), [Leadership](#), and [Character](#) (plus [citizenship](#) for NJHS). These criteria for selection form the foundation upon which the organization and its activities are built. The advisors for our chapter are Mrs. Thomas and Mrs. Shepherd. Inductions for NJHS are held in March.

Scholarship

Students who have a cumulative grade point average of 85 percent, B, 3.0 (on a 4.0 scale) or equivalent standard of excellence, or a higher cumulative average set by the local school's Faculty Council, meet the scholarship requirement for membership. These students are then eligible for consideration on the basis of service, leadership, and character (and citizenship for NJHS).

Service

This quality is defined through the voluntary contributions made by a student to the school or community, done without compensation and with a positive, courteous, and enthusiastic spirit.

Leadership

Student leaders are those who are resourceful, good problem solvers, promoters of school activities, idea-contributors, dependable, and persons who exemplify positive attitudes about life. Leadership experiences can be drawn from school or community activities while working with or for others.

Character

The student of good character upholds principles of morality and ethics, is cooperative, demonstrates high standards of honesty and reliability, shows courtesy, concern, and respect for others, and generally maintains a good and clean lifestyle.

Citizenship

The student who demonstrates citizenship understands the importance of civic involvement, has a high regard for freedom, justice, and democracy, and demonstrates mature participation and responsibility through involvement with such activities as scouting, community organizations, and school clubs.

Eligibility

For NJHS, students in the second semester of the sixth grade, or in grades 7 through 9 in a school with both an official charter of the National Junior Honor Society and an up-to-date affiliation with the NJHS national office are eligible for consideration for membership in NJHS. Students must have completed the equivalent of one semester of enrollment.
